WAIT LIST PROCEDURES

In the event a program/Child Care center is full, a Wait List will be created.

- Your name will be kept on the Wait List for the entire 2020-2021 school year.
- Each center will have a Wait List, *if needed*. As an opening becomes available, a call will be placed to the first name on that Wait List.
- A call will be made to either the work or cell number, and the home number as necessary. Messages will be left and it will be *your responsibility to respond*.
- You will have 24 hours to respond to our call/message.
Your name will be removed from the Wait List and we will proceed to the next name if you do not respond within 24 hours. Once you have been called off the Wait List and you do not accept the open spot, you are considered ineligible for priority registration for the following year.

In order that we may effectively serve you, please keep us informed of any changes in phone number/s and or addresses.
