

CVUSD Child Care Accommodations

As a District program of Conejo Valley Unified School District, the Child Care program is committed to providing equal access for services and activities to students who are classified as disabled under Section 504 of the federal Rehabilitation Act of 1973. The CVUSD Child Care Program strives to meet the individual needs of students with disabilities as adequately as the needs of nondisabled students without cost to the student or his/her parent/guardian, except when a fee is imposed on nondisabled students. (CVUSD Administrative Regulation 6164.6)

Please complete the following section if your child has specific medical needs. Your assistance in completing this form will allow us to plan a safe and successful program for your son/daughter.

Special Accommodations Protocol

Student's Name: _____

Child Care Center: _____

Please advise us if your child is a diabetic, has insect or food allergies, asthma or other special needs that will require staff supervision. Please explain below the nature of your child's special needs and staff will contact you to discuss any specific issue(s) and or procedure(s) necessary for a safe and dynamic Child Care experience.
